# Total Destruction wants to

talk about... THINKING

INSIDE

## You're sending non-controlled items?

- Total Destruction charges for your non-controlled items by the pound. For a complete breakdown of pricing, please see the Total Destruction pricing sheet.
- We ask that you place any liquids inside of a sealed baggie of some kind. This helps to prevent any leakage from leaving a mess for our receiving department and possibly, your shipping carrier.
- Any and all glass should be wrapped in something to help prevent shattering. If glass and liquid, wrap your glass and place in sealed baggie.

## You're sending Schedule III-V Drugs?

- Total Destruction requests that you place a copy of your inventory on top of your box contents.
- Please send in separate box if also sending in Non- Controls, as they are priced according to poundage and not per item like scheduled drugs.
- If sending glass, please pack accordingly! *See above.*
- Payment should always accompany shipment! You may arrange to have a credit card on record to apply to this invoice once verified and destroyed.

## You have Schedule II drugs?

- First and foremost: No Schedule II drugs are to exchange hands without a 222 Form being issued.
- To receive a DEA 222 Form, you must first complete and submit an inventory form for the drugs you wish to have shipped to us for disposal.
- TD will evaluate your inventory form and issue to you a quote via US Postal Service. Accompanied with your quote will be your 222 form.
- Once this form is received, please review it, you will need to record the Number Shipped in Part 4 and the date in which you shipped the product to Total Destruction in the :Date Shipped column
- Please place a photocopy of your *completed* 222 Form inside your shipment of CII's.
- The CII's MAY BE shipped with your Class III-V's as long as they are separated for easy recognition. (i.e. a sealed box inside of you III-V box, a plastic bag, a paper sack, etc.)

### IMPORTANT:

ALL BOXES SHOULD CONTAIN COPIES OF YOUR CURRENT DEA AND STATE LICENSES. THIS IS PERTINENT INFORMATION FOR OUR RECEIVING DEPARTMENT . Payment should also accompany every shipment unless other payment arrangements have been made prior to shipping.
